

Sharon Davies MBE with the Hillingdon Team

January 2008

Sharon Davies MBE officially launched the start of the £25m building work at the site, which will see the disused 1930's pool rebuilt, alongside a new world class sports and leisure complex.

The former Olympian said: "I think it's a fantastic commitment to be building this pool. London needs more pools of this size and quality, and it's great to see this kind of ambition from the local community."
