

Small Pocket Gripes

Pocket gripes are the latest innovation in combating graffiti. They contain a powerful cleaning formula that removes tough graffiti but don't contain harmful chemicals making the gripes safe to handle. The abrasive yet non-scratching fabric aids in cleaning.

Where can I use them?

You could use them to remove graffiti from:

- Bus stops and seats
- Lamp posts
- Park signs
- Phone boxes
- Road signs
- Almost any hard surface!

Who are they designed for?

The small pocket gripes are ideal for anyone.

The compact size means you could easily carry them around in your bag or keep one in the glove box of your car. The unique formula means the gripes stay moist to provide greater usage and a longer life.

The kit contains:

- 18 pocket gripes
