

Large Graffiti Removal Kit

The large graffiti removal kit is one of the latest innovations in combating graffiti. The kit uses the same chemicals, equipment and techniques used by professional graffiti removal teams. The chemicals contained have no detrimental effect on the environment, are 100% biodegradable and completely neutralised by water.

Where can I use them?

The kit is designed to remove graffiti written by spray paint, marker pens and ink from a variety of different surfaces such as:

- Brick, concrete or other porous surfaces
- Bus stops and seats
- Glass
- Lamp posts
- Park signs
- Phone boxes
- Road signs

Who are they designed for?

The large graffiti removal kit is ideal for use by resident associations or community groups.

The kit contains:

- Detailed safety and user instructions
- 1 large tub of Gripes
- 3 1 litre Non Hazardous removers
- Gloves
- Safety glasses
- Cloths
- Brushes
- Small dispensing tub
- Scourers
- Trigger sprays
