The Safer Schools unit place Police Officers in all Secondary schools in the borough to promote respect, responsibility, and civility and enhances the prospects for maximum educational achievement. This provides a way forward for schools, working together with the police and others to deliver these outcomes for children, young people and their communities.
7. Police Community Support Officers (PCSO’s)

As part of the “Safer Neighbourhoods” Team, PCSO’s provide reassurance to the community through a visible and accessible patrol presence. PCSO’s also increase police capacity by fulfilling an “eyes and ears” role and carrying out support tasks that do not require the full training and powers of a police officer.

9. London’s Transport Museum

Funded by Transport for London and based within the Education department at London’s Transport Museum. TfL Safety and Citizenship provides a free of charge education service to all schools within Greater London. The aim of this initiative is to promote safety and citizenship on and around London’s transport system.

The service prepares children aged 10 – 11 for independent travel before they move to secondary school. The team can provide a range of services including multimedia presentations led by trained School Liaison Officers (SLO’s). The presentations focus on ways to make safe journeys confidently and with respect for fellow passengers.
