About the Cabinet & this Forward Plan

The Cabinet is Hillingdon Council's Leadership Team, overseeing the provision of Council services and putting our residents first. Chaired by the Leader of the Council, the Cabinet comprises 6 other Councillors (known as Cabinet Members) who are each responsible and accountable for a range of Council services, e.g. Finance, Children's Services, Transportation etc... The full Cabinet meets monthly in public (part private) to take the more significant decisions about the Borough (Cabinet decisions). Cabinet Members also take decisions individually on a daily basis (known as Cabinet Member decisions). The purpose of this Forward Plan is to highlight these upcoming decisions over the coming months and year, providing advance information to residents in a transparent way about future decisions. The Forward Plan is published every month to ensure it is kept up-to-date. It also provides the 'online' public notice of future decisions under the relevant UK regulations.

Notice of intention to conduct business in public, but also consider matters in private

The notice below is to inform the public that whilst Cabinet meetings are held in public, they also include a private session for dealing with confidential matters and what this means. For maximum transparency, Cabinet will also publish a 'public preview' of any confidential matters at Cabinet meetings as shown in this document.

Whilst the majority of the business at Cabinet meetings will be open to the public and media to attend, there will inevitably be some business to be considered that contains, for example, confidential, commercially sensitive or personal information. This is formal notice under The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that the Cabinet meetings shown on this Forward Plan will be held partly in private because some of the reports for the meeting will contain exempt information under Part 1 of Schedule 12A to the Local Government Act 1972 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it.

A list of the reports which are expected to be considered at Cabinet meetings in public and private are set out in a list on this Forward Plan. If they are marked "private", it includes a number or numbers (1-7 as indicated below), setting out the reason(s) why the decision will be taken in private based on the information categories below:

- (1) information relating to any individual
- (2) information which is likely to reveal the identity of an individual
- (3) information relating the financial or business affairs of any particular person (including the authority holding that information)
- (4) information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
- (5) Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
- (6) Information which reveals that the authority proposes (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) to make an order or direction under any enactment.
- (7) Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

For maximum transparency, the Cabinet will provide a public information preview of reports to be considered in private and also the decisions made on them will also be public on our website. However, if you still would like to make representations about why a particular matter is to be conducted in private at a Cabinet meeting, and consider it should be considered fully in public instead, then please email: democratic@hillingdon.gov.uk Such representations must be received 10 days before the date of the Cabinet meeting, usually the preceding week on Monday by 5pm.

It is possible that other private reports may be added at shorter notice to the agenda for the Cabinet meeting or for a Cabinet Member decision where deemed urgent. Cabinet meetings are held at the Civic Centre, Uxbridge, Middlesex, UB8 1UW, usually starting at 7pm on Thursdays, but subject to change in accordance with legal notice periods. Whilst meetings may be held in public, they are not public meetings and those attending are kindly asked to quietly observe proceedings. There are no public speaking rights at Cabinet meetings, as the Council provides this opportunity through its petitions process: www.hillingdon.gov.uk/petitions

Notice about the upcoming decisions listed and the timeframes for them

This notice below is to inform the public about the timeframes we are required to give in relation to the more significant decisions to be made by the Cabinet and when more information about them will be available near the time they are taken.

This is formal notice under The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 of **key decisions** to be made on behalf of the Cabinet or Cabinet Members. As far as possible and in the interests of transparency, the Council will seek to provide at least 28 clear days notice of new key decisions on this document. Where such advance notice is not practicable such key decisions may be taken under urgency procedures. All decisions which are expected to be taken in private (at a meeting of the Cabinet or by an individual Cabinet Member) are marked "private" with the reasons why as set out on the page overleaf.

The Council's definition of a key decision is:

1. Developing proposals that require the Council to amend its policy framework.
2. Decisions resulting in cost/savings outside of existing budget that exceed the following thresholds:
 - a. 10% of the annual revenue budget for a service or any proposals in excess of £500,000.
 - b. variations to capital schemes on programmes in excess of £250,000 in any one year.
3. Decisions which have a significant impact on two or more wards as defined below:
 - a. where the outcome will have a significant impact on the well-being of the community or the quality of service provided to a significant number of people living or working in an area.
 - b. where 'Communities of Interest' as well as geographic areas are affected significantly, e.g. young people by the closure of a youth centre.

Non-key decisions

A range of other future decisions may be listed on this document which are not key decisions and less significant in nature. This will also include a range of "standard items", i.e. decisions to be taken each month, .e.g school governor appointments, release of funds for projects etc... where it is not practical to plan and provide information more specifically so far in advance.

When will more information be available about these decisions?

Documents in relation to upcoming decisions shown on this Forward Plan will be submitted to the Cabinet or Cabinet Member(s) for decision as a formal agenda report or a decision request, which if public and non-urgent, will be available on the Council's website www.hillingdon.gov.uk at least 5 clear working days before the date the decision can be made. If you would like to request such a document, please email democratic@hillingdon.gov.uk All documents shown or due to be published are listed at the London Borough of Hillingdon, Civic Centre, High Street, Uxbridge, Middlesex UB8 1UW. Public reports and all decisions are also available for inspection here during office hours.
