STATEMENT OF REASONS

The proposed disabled parking bays are intended to benefit disabled people by providing parking bays for the sole use of "blue badge" holders. Redundant bays will be removed to provide more parking for residents and their visitors.

The proposed installation of waiting restrictions are intended to remove obstructive parking to assist the free flow of traffic, prevent all day non-residential parking and promote road safety. All proposals have been agreed in principle by the Cabinet Member for Planning, Transportation and Recycling to proceed to formal consultation.

The proposed introduction of a 'Stop & Shop' parking scheme outside New Broadway, Uxbridge Road is intended to provide a turnover of parking spaces for customers to the businesses along this parade of shops.
