

Briefing for Stakeholders #9

Introductory Note

The Stakeholders' Briefings can be found in the Council's website DA Pages accessed via <https://www.hillingdon.gov.uk/abuse> In the left side of the screen there is a section marked Stakeholder Briefing, click on the link and you will go to the current and previous briefings.

After this week the briefing will be posted directly into the web site. We will occasionally send you reminders.

1. Recorded data

West Area BCU (to 26 July 2020):

The WA BCU shows no change in Domestic Abuse offences from the previous week, from 211 to 211 offences. This an increase of 36 offences from the same week in the previous year.

In the last 2 weeks there has been an increase of +11.6 in recorded DA offences compared to the same period last year.

Please note that the numbers will fluctuate week on week due to late / delayed reporting.

Hillingdon Borough (data to 26 July 2020):

In the last week, there has been an increase in DA offences from 71 to 80 offences. This is an increase of four offences from the same period last year. VWI offences have increased from 19 to 22 offences. This is an increase of five offences from the previous year.

In the past 2 weeks there has been an increase of 15.5% in recorded DA Offences compared to the same period last year.

Note: The police data for Hillingdon Borough does NOT include the non-crime element, which invariably would be higher than the recorded DA Offence data.

Recommendation: That the wider partnership markets and broadcasts the availability of DA support services on the borough and across London and encourage the safe reporting of DA. Refer to the Local Resources Guide access via <https://hillingsdon.gov.uk/abuse>

Metropolitan Police Service (ALL Boroughs) 1 April 2019 – 31 March 2020

Key areas of work under development:

Night Time Economy (NTE) Strategy supported by Safe Spaces Scheme and Bystander Initiatives. In addition, such initiatives also support our work in developing a local Employers' Initiative recognising the importance of our people and internal communities.

We would welcome your contributions, support and involvement in the above work.

Action Point: In the coming weeks as part of the 3 years' strategic delivery plan, we are going to seek your support regarding a focused initiative for local Employers (in their approaches to supporting staff and tackling DA and a wider Safer Spaces Scheme).

Does your organisation employ people? Do you want to be part of a local initiative by employers to support staff who are experiencing or otherwise exposed to Domestic abuse?

XXXX CrimeStoppers Campaign launched XXXX

The crimestoppers' campaign has focussed on public spaces as private spaces through the social media messaging. The messaging is focussed on victims, family / friends / neighbours and perpetrators.

Some campaign messaging and imagery focussed on perpetrators and 'bystanders':

Action Point: Please can your communications team promote the Crimestoppers campaign across your social media platforms. See separate report.

Funding Opportunity: See <https://www.gov.uk/government/news/22-million-emergency-coronavirus-funding-for-more-than-540-sexual-violence-and-domestic-abuse-charities>

Some local organisations are now benefitting from this funding.
