COMMUNICATION STRATEGY

Introduction and Background

This is the Statement outlining our Pension Communication Strategy for the London Borough of Hillingdon Pension Fund ("the Fund") and has been developed following consultation with employers in the Fund, scheme member representatives, Pension Board members and other interested stakeholders.

The aim of this Communication Strategy is to ensure that scheme members appreciate the benefits of the scheme, and all stakeholders are kept informed of developments within the Pension Fund, and effective communications will also help to maintain the efficient running of the Scheme.

London Borough of Hillingdon (the "administering authority") is responsible for the local administration of the Fund, which is part of the Local Government Pension Scheme ("the LGPS"). Operationally, the administration of the Fund is undertaken by Hampshire County Council (HCC) under a delegation agreement. and the team at Hampshire and Hillingdon Council staff work together to provide a seamless service to scheme employers and members, and as such effective communication *between* the two organisations is vitally important. This policy focuses on effective communication between the Fund (i.e. the Council and Hampshire County Council as administrator) and its external stakeholders.

The Statement sets out who we will communicate with, how this will be done and how the effectiveness of that communication will be monitored.

Implementation

This Strategy outlines the type of communications the administering authority would like to provide to scheme members and employers. It includes making more use of technology to provide quicker and more efficient communications for the Fund's stakeholders.

This Strategy will be effective from 28 September 2024 and the performance indicators mentioned herein will demonstrate ongoing progress towards the Strategy's aims and objectives.

Regulatory Basis

The LGPS is a statutory scheme, established by an Act of Parliament. Regulation 61 of the Local Government Pension Scheme Regulations 2013, reproduced below, provides the conditions and regulatory guidance surrounding the production and implementation of Communications Strategies:

Statements of policy concerning communications with members and Scheme employers

61. (1) An administering authority must prepare, maintain and publish a written statement setting out its policy concerning communications with —

- (a) members.
- (b) representatives of members.
- (c) prospective members; and
- (d) Scheme employers.

(2) The statement must set out its policy on —

- (a) the provision of information and publicity about the Scheme to members, representatives of members and Scheme employers.
- (b) the format, frequency and method of distributing such information or publicity; and
- (c) the promotion of the Scheme to prospective members and their employers.

(3) The statement must be revised and published by the administering authority following a material change in their policy on any of the matters referred to in paragraph (2).

This statement has been developed to include the information required by those provisions and to describe our approach in relation to meeting these requirements in the delivery of communications.

Our Aims and Objectives

Mission Statement

The primary objectives of the London Borough of Hillingdon Pension Fund are:

- to be known as forward thinking, responsive, proactive and professional providing excellent stakeholder focused, reputable and credible service to all customers.
- to have instilled a corporate culture of risk awareness, financial governance, and to provide the highest quality, distinctive services within the resource budget.
- to work effectively with partners, being solution focused with a 'can do' approach.

In addition, we have specific aims and objectives in relation to our communication responsibilities as set out below.

Communication Aims and Objectives

This Communications Strategy has a number of specific objectives relating to how we communicate with our stakeholders, as follows;

- Promote the Scheme as a valuable benefit and provide sufficient information to educate members to help them to make informed decisions about their benefits.
- Communicate in a clear, concise manner.
- Ensure we use the most appropriate means of communication, considering the different needs of our stakeholders.

- Look for efficiencies in delivering communications, including through greater use of technology and partnership working, with the view that digital communications are the preferred long term communications solution.
- Annually evaluate the effectiveness of communications and shape future communications appropriately.

Ultimately, achieving these objectives should result in fewer member and employer queries, which will help all stakeholders whilst maintaining and improving the efficient running of the Scheme.

Delivery of Communications

London Borough of Hillingdon has delegated responsibility for the management of the Pension Fund to the London Borough of Hillingdon Pensions Committee, taking into consideration the input of the Pensions Board. The Committee will monitor the implementation of this Strategy on a regular basis as outlined later in this statement.

Operationally, the communications of the Fund are undertaken by Hampshire County Council with the sign-off of the London Borough of Hillingdon. The London Borough of Hillingdon will also look for opportunities to work collaboratively with other Administering Authorities to reduce development costs and enhance the quality of information. This might include:

- working with other administering authorities through the Pensions Officer Group networks to produce communications, which can then be customised further where necessary to the needs of the London Borough of Hillingdon Pension Fund
- participating in joint training sessions with other administering authorities.

How we Communicate

Ensuring that key stakeholders are well informed about the LGPS is of paramount importance, and London Borough of Hillingdon recognises that communicating in a clear informative style is vital in achieving this aim.

With whom we will Communicate

London Borough of Hillingdon recognises that there are several distinct stakeholder groups, such as:

- Scheme Members (active, deferred, pensioner and dependant members) and prospective Scheme Members
- Scheme Employers and prospective Scheme Employers
- Pension Fund Committee and Pension Board members
- Pension Fund Staff
- Other interested organisations including Government Departments, Scheme Advisory Board and Advisors to the Pension Fund.

The main means of communication with these key stakeholders are outlined in the next section.

Ethnic, Diversity & Inclusion Communication

The London Borough of Hillingdon Pension Fund's information and support is also available in alternative formats for example, Braille, large print or alternative languages on request. The London Borough of Hillingdon Pension Fund always aims to use the most appropriate communication medium(s) for the audience receiving the information. However, the London Borough of Hillingdon acknowledges that digital communications are the preferred long-term communications solution.

Methods of Communication

a) With Scheme Members and Prospective Scheme Members

Our aim is to provide all communications electronically where possible as a rapid access and secure means of sharing personal information. We however recognise that it is not always a suitable method for all stakeholders and where appropriate will provide communication in writing and other inclusive formats such as large print or braille where required.

Member Portal

All members are encouraged to sign up to the member portal which provides secure access to their specific details and allows them to complete various forms, upload certain documents and send secure messages to Hampshire Pension Services staff. Members will also securely receive important documents like annual benefit statements, payslips via the member portal.

It is regularly updated and provides news feed for topical information.

Annual Benefit Statements

These statements are distributed electronically to all active and deferred scheme members. Where email addresses are held for the members, a notification is sent to advise that the statement is available on the portal. Members can choose to opt out of this service in which case they will receive a paper copy.

Correspondence

Most of our communication with members is undertaken electronically, either through our Member Portal or by secure email. If we hold a member's email address, then we will email to advise when a letter or document is made available for them to view. However, if we are unable to communicate electronically then we send the information in writing to the member's home address.

If a member wishes to opt out of electronic communications and to receive paper copies, then we ask that they put their request to us in writing.

We can also communicate with members in an alternative method on request.

All emails sent contain a link to our satisfaction survey to encourage feedback from members.

Benefit statements

We make our annual benefit statements available to all members through our Member Portal. If we hold an email address for a member then we email to advise that the statement is available to view on the Portal.

Members can choose to opt out of this online service and instead receive paper statements.

All statements include some explanatory notes and members are advised where to find a more detailed explanation of their statement on our website.

Pensioner payslips, P60s and annual newsletter

All payslips are available to our pensioners through the Member Portal. If a member has paid income tax during the preceding year, then a P60 will also be available through the portal by the end of May. The member can either view or download copies of the payslip and P60.

A pensioner newsletter is added to the Member Portal every year in March or April.

An expanded version of the newsletter can be viewed on our website.

Pensioner members can opt out of electronic communications and choose always to receive paper copies, by putting their request to us in writing.

Where appropriate, letters are distributed to all members who are affected by the Annual Allowance or the Lifetime Allowance, explaining changes to taxation rules and how this may affect their pension savings.

Annual Report

The Annual Report is published to highlight how the Fund has performed during the previous financial year. It also includes statements with regards to investment strategy, funding strategy, and governance. It is available on the Fund's website.

b) With Employers

Effective communication between the Fund and its employers reduces errors, improves efficiency and leads to good working relationships. The day-to-day communication with employers will be supported by Hampshire Pensions Services with sign off from London Borough of Hillingdon on key areas of communication. The main means of communication with employers are outlined below.

Website

The HPS website has a dedicated section for employers. It includes technical information, details of training courses, the latest employer news and an Employer Manual which contains details of procedures and employer responsibilities. The website offers access to our Employer Hub. Employers are asked to register for this service which enables them to view or amend details of their own employee's records, submit forms to us or to provide member estimates, depending on their level of access.

Newsletters

We send a regular electronic newsletter, "Pensions Matters", to employing authorities to keep them up to date with the latest regulation changes and proposals, as well as any changes in administrative processes.

We also send ad hoc email communications, under the heading "Stop Press" to advise employers of any changes or information they should be aware of or would find useful.

Copies of "Pensions Matters" and "Stop Press" emails are also added to the employer section of the website.

Employer training

We offer employer training workshops on a variety of topics, in addition to dealing with queries via email or phone.

In addition, Pension Services will work with employers who have individual training needs offering targeted training on request or when a need is identified.

Employer meetings

We hold employer liaison meetings throughout the year with key employers or those where additional support is required. All employers may request a meeting with us.

We also hold six-monthly meetings with employer focus groups and will attend established employer forums.

Administration Strategy

The administration strategy provides an overview of how the administering authority and employers will work together to achieve a high-quality service. It is available on the Fund's website.

c) With Pension Committee and Pension Board members:

Effective communication ensures that Pension Committee and Pension Board members are appropriately knowledgeable and able to act in the best interests of the Fund and its members:

Members are provided with regular reporting on all areas relevant to pensions, including investment, funding, audit, governance, administration and risk. This is communicated in a variety of formats including via the external website, the intranet, the annual report and accounts, through committee and board meetings and through regular training in line with the Fund's training policy. Most reports provided to Pension Committee together with the meeting minutes, are available on the Democratic Service pages of the Council's website. The Pension Board members and reports to the Board can be found at this website address:

<https://archive.hillingdon.gov.uk/article/29807/Local-Pensions-Board>

d) With Fund Staff:

Effective communication ensures that both Hillingdon and Hampshire staff are confident and prepared to undertake their role, as follows:

Senior Pension Person

The London Borough of Hillingdon and Hampshire County Council Pension managers maintain open-door policies and are available to staff both within and outside the Pensions Teams. In addition, staff have unrestricted access to their managers and senior colleagues to discuss and resolve work related issues.

Team Meetings

Office and/or Team meetings are held on a regular basis to discuss operations, ensuring there is a shared understanding of any issues and developing a consistent approach towards addressing them. Any items arising from such meetings are escalated to the relevant Senior Pension Person and raised at Senior Management Team Meetings if required.

Intranet

Each member of staff has access to the relevant Fund's intranet so that it can be used as an information resource.

E-mail

All staff have access to the e-mail facility.

Internet

All staff have authority to access the internet to assist them in their role within Pension Services.

Induction and training

All new members of staff undergo an induction procedure to acquaint themselves with the operational running of the Pension Fund. Subsequently, all pension staff also receive both in-house and external training to enable them to administer the scheme effectively, answer member queries, and offer a good customer service and also to assist in their personal development.

Appraisal and Assessment

Staff at all levels in the Pension Team have annual assessments, with a mid-year review, during which there are open discussions of work issues and areas for development. This dialogue is supplemented by regular one-to-one meetings within team structures.

e) Communicating with other bodies:

There are a few other interested parties with whom we communicate as required, including:

The Ministry of Housing Communities and Local Government (MHCLG)
We have regular contact with MHCLG as Responsible Authority of the LGPS, participating and responding to consultations as required.

Scheme Advisory Board

The national Scheme Advisory Board was established following the Public Services Pensions Act 2013 to provide advice to administering authorities and local pension boards in relation to the effective and efficient administration and management of the Scheme and their funds. We therefore liaise with the Scheme Advisory Board as appropriate.

The Pensions Regulator

The Pensions Regulator's remit has been extended to the Public Sector because of the Public Services Pensions Act 2013. We therefore liaise with the Regulator as required and ensure that the London Borough of Hillingdon Fund supports the Pensions Regulator's General Code of Practice.

Trade Unions

We work with relevant trade unions as required to ensure the Scheme is understood by all interested parties. Efforts are made to ensure all pension related issues are communicated effectively with the trade unions.

Employer Representatives

We work with relevant employer representative bodies to ensure that the Fund's views are represented to employer groups. Employers are represented on the Pension Board.

Pension Fund Investment Managers, Advisers and Actuaries

We have regular meetings with.

- the Fund Managers which invest funds on behalf of the Fund
- the London Collective Investment Vehicle (LCIV) which invests funds and overseas elements of investment governance on behalf of the Fund
- Investment Advisers who provide help and advice on the asset allocation and investments of the Fund
- the Fund Actuary to discuss funding levels, employer contributions and valuation of the assets and liabilities of the Fund

Pension Fund Custodian

The Fund's Custodian ensures the safekeeping of the Funds investment transactions and all related share certificates if applicable.

AVC Provider

Additional Voluntary Contributions (AVC) are a way for members to top up their pension benefits, and in some instances provide tax free lump sum depending on the policy and are held and invested separately from the LGPS. The Fund's AVC provider is Prudential.

Regional Forums

The London Pension Officers Group takes place quarterly. It is an opportunity for the Pensions Managers and other Pension Officers from administering authorities in the region to share information and ensure uniform interpretation of the Local Government Pension Scheme, and other prevailing regulations.

The Society of London Pension Managers takes place every two months where senior pension officers discuss investment, pooling and governance initiatives and information.

Requests for Information (FOI)

Requests for information either under the Freedom of Information Act or otherwise, will be dealt with as openly and swiftly as allowed providing that such information does not breach confidentiality.

Consultations

There are occasions when the administering authority will consult with interested parties either because of potential changes to the regulations governing the LGPS or specific policy changes relating to the London Borough of Hillingdon Fund. In these instances, the most effective way of communicating with interested parties is to hold a period of consultation, during which, they are given the opportunity to respond to specific changes. Interested parties and representative groups will be approached to provide feedback to the policy changes before amendments are enacted.

Where relevant the Fund will respond to consultations from third parties.

Key Risks

The key risks to the delivery of this Strategy are outlined below. The London Borough of Hillingdon's Lead Pensions Officer will work together with the Lead Pensions Officer

at Hampshire and with the Pension Committee and Pension Board in monitoring these and other key risks and considering how to respond to them.

- Lack or reduction of skilled resources due to difficulty retaining and recruiting staff members and staff absence due to sickness
- Significant increase in the number of employing bodies causes strain on day-to-day delivery
- Significant external factors, such as national change, impacting on workload
- Issues in production of annual benefits statements, e.g. wrong address and printing errors due to external supplier
- Issuing incorrect or inaccurate communications
- Failure to maintain employer database leading to information not being sent to correct person
- Lack of clear communication to employers, scheme members and pensioners

Preparation and Review

This Strategy Statement was approved on 28 September 2024 by the London Borough of Hillingdon Pensions Committee. It is effective from 1 October 2024

It will be formally reviewed and updated at least every three years or sooner if the communication management arrangements or other matters included within it merit reconsideration, including if there are any changes to the LGPS or other relevant Regulations or Guidance which need to be considered.

In preparing this Strategy we have consulted with the scheme member and employer representatives on the London Borough of Hillingdon Pension Board and other persons considered appropriate.

This Strategy Statement will be included within the Fund's Annual Report and Accounts and available on our website at: <http://www.hillingdon.gov.uk/pensions>.
